Dr. V. CHOKKALINGAM, B.E., M.E., Ph.D.  
RESEARCH CO-ORDINATOR - JSEC

### Co-Convenor

Dr. J. DILIP SINGH, B.E., M.E., Ph.D.  
ASSOCIATE PROFESSOR & HEAD - MECHANICAL - JSEC

### Co-Ordinators

Mr. S. VIGNESH, B.E., M.E.,  
ASSISTANT PROFESSOR - MECHANICAL - JSEC

Mr. P. KARTHIKEYAN, B.E., M.E.,  
ASSISTANT PROFESSOR - MECHANICAL - JSEC

Mr. J. BOOPALAN, B.E., M.E.,  
ASSISTANT PROFESSOR - MECHANICAL - JSEC

Mr. E. KAMALARAJ KANNAN, B.E., M.E.,  
ASSISTANT PROFESSOR - MECHANICAL - JSEC

### Student Co-Ordinators

Mr. D. TAEJAS, Mr. N. NARESH KUMAR  
FINAL YEAR - MECHANICAL - JSEC

### Resource Person

Mr. M. SURESH  
MANAGING DIRECTOR - TEJAVU

### Eligible Participants

- DIPLOMA
- UG / PG STUDENTS

### Registration Fee Details

Includes Workshop Kit and Lunch

- Students (DIPLOMA)
- Students (UG / PG)

**SPOT REGISTRATIONS ALSO AVAILABLE !!!**

### **About The Institution**

**JAYA SAKTHI ENGINEERING COLLEGE** Situated close to Chennai Metropolis, the College is one of the foremost centers of graduate and professional education in the state of Tamil Nadu. The range and depth of resources at the college have few peers. Within easy reach on the same campus and other sites, the college combines all the advantages of a comprehensive institution in the Arts and Science with a full complement of professional schools. Among these are business, dentistry and an unusually complete array of paramedical professions, including pharmacy and physiotherapy.

The college ensures that all students have the opportunity to acquire and develop personal and transferable skills, such as technical communication and team-working skills, which are directly appropriate to their future courses. Top and Best Engineering college in Chennai.

### **About The Department**

The Mechanical Engineering department of this college understands the needs of the society and striver to produce excellent quality engineers and professionals in its mission to contribute to the industry in the future.

The department has state-of-the art facilities for various laboratories, department library and classrooms to support e-learning. Guest lectures and industrial visits are periodically arranged for the students to supplement their curriculum.

To the industrial needs and to stabilize their logo in the field, man-potential within hands on training knowledge in Mechanical engineering is important. The department has been showing knowledge to their mechanical discipliners with the aid of conventional and modernized technology systems.

### **Vision of The Department**

To be known as a leading facilitator of mechanical engineering education, preparing students to satisfy societal needs and build intellectually competent research institutions with best proficiency and cutting-edge excellence.

### **Mission of The Department**

- To educate, prepare, and facilitate the learning process so they can succeed as professionals.
- To furnish the resources and environment needed for high-quality education to pursue a variety of professions as well as mechanical engineering research.
- To get students involved in academic and scholarly pursuits that will improve the department's reputation in the global market.

### **About the Workshop**

A 3D printing workshop is an interactive learning experience that introduces participants to the world of three-dimensional printing technology. In these workshops, attendees gain hands-on experience with 3D printers, learning the basics of design software, material selection, and the printing process. Participants often have the opportunity to create their own 3D-printed objects, fostering creativity and innovation. These workshops are ideal for beginners and enthusiasts alike, providing a practical understanding of this cutting-edge technology. They serve as a valuable platform for individuals interested in exploring the limitless possibilities of 3D printing across various fields, from art and design to engineering and manufacturing.

### **Topics**

1. Understanding the Technology,
2. 3D Design and Modeling,
3. Printer Operation and Maintenance &
4. Materials and Post-Processing.

Thiruninravur- 602 024

<b>TITLE OF THE ACTIVITY</b>		ONE DAY WORKSHOP – 3D PRINTING “A REVOLUTIONARY TECHNOLOGY”	
<b>DATE</b>	03, November - 2023	<b>VENUE</b>	SEMINAR HALL – JAYA SAKTHI ENGINEERING COLLEGE

Jaya Sakthi Engineering College, Thiruninravur, Chennai – 602024 in association with TEJAVU had organized the one day Workshop Titled as “3D Printing “A Revolutionary Technology”, at JSEC Seminar Hall (Offline Mode).

### *Inauguration Ceremony*

Jaya Sakthi Engineering College successfully conducted the One Day Workshop on 3D Printing – A Revolutionary Technology. This Program brings together the academic professionals and Students of various academic Institutions and organizations, to motivate more and more Technical Knowledge about 3D Printing. The event held on 03<sup>rd</sup> November 2023

The Workshop was very well organized to accommodate young engineers and common people also from various institutions and academicians. Firstly Welcome address was started by Dr. J. Dilip Singh, Associate Professor & Head – Mechanical, JSEC delivered his warm welcome addresses to all dignitaries on the dias and he wished to all the delegates & appreciated the participants of Workshop, then the dignitaries lightened the Kuthu Villaku and our beloved Chairman honoured our chief Guest, and Dr. K. L. Shunmuganathan, Director, Jaya Group of Institutions delivered his felicitation Address and our respected beloved Chairman, Jaya Group of Institutions delivered his presidential Address and Dr. B. Gobinathan, Principal, Jaya Sakthi Engineering College delivered his Principal Address and Dr. P. Marimuthu, Principal, Jaya

College of Engineering and Technology delivered his Felicitation Address and Finally Dr. V. Chokkalingam, Convenor – 3D Printing Workshop delivered about the insights and knowledge on the workshop

After that, **Session - 01** started with **Mr. J. Boopalan**, Assistant Professor / Mechanical, **JAYA SAKTHI ENGINEERING COLLEGE**, took over the session. He begins with the topic on various prospects and explained lots of points about the types of 3D Printers, Materials used in 3D Printers, softwares used to build the 3D Modelling and Applications of 3D Printer & ideas in future and explained about the various aspects of 3D Modelling and 3D Printing technology & opportunities in 3D Printing and lot more informative ideas were delivered by him. After that, Q & A session were carried out and Speaker explained the doubts & answer for all the queries asked from the students.

Then, **Session - 02** were carried out by **Mr. P. K. Santhosh**, Head of the Department / Bio - Medical, **JAYA SAKTHI ENGINEERING COLLEGE**. He begins with the topic on various prospects and explained lots of points about the types of 3D Printers used in medical field, Bio-Medical based Raw Materials used in 3D Printers with Applications and real time examples & ideas of Bio 3D Printers used in future and explained about the various aspects of 3D Printing in Pharmaceutical Technology and lot more informative ideas were delivered by him. After that,

Q & A session were carried out and Speaker explained the doubts & answer for all the queries asked from the students.

Then, **Session - 03** started by **Mr. M. Suresh**, *Manging Director, TEJAVU* took over the session He begins the topic practical session with the demonstration in 3D Modelling, overview of 3D Modelling, how to prepare 3D Model, File Conversion of 3D Model , and slicing the model and he explained lots of point about the 3D Model Q & A session were carried out and Speaker explained the doubts & answer for all the queries asked from the students

Nextly, **Session - 04** started by **Mr. D. Taejas**, *Student / Mechanical, JAYA SAKTHI ENGINEERING COLLEGE*, and Intern of TEJAVU, took over the session He begins the topic with practical session with the demonstration in 3D Printer, he explained lots of point about the selection of printing materials, how to Calibrate the 3D Printer, and how to load the filament or Resin, what is printing process, how to monitor the print, post processing of 3D Model and how the Final Product may be Showcased among the students finally doubts and Clarifications were answered to the students.

finally, **Mr. P. Karthikeyan**, *Assistant Professor / Mechanical JAYA SAKTHI ENGINEERING COLLEGE* delivered his vote of thanks, and thanked speakers and all participated member for such a nice activity event, and delivered vaiuable words regarding the

ideas about the Workshop. Finally, the session ended with Certificate distribution for the students and ended with different prospects with eye-opening ideas.

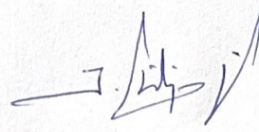

### ***Valedictory Ceremony***

Totally registered 130 Members, Appeared Participants were Students from Various Engineering colleges and Organization.

### **Registered Participants ( Summary Report )**

## STUDENT'S FEEDBACK

### FEEDBACK FORM

EVENT NAME: 3D PRINTING

DATE: 03.11.2023

PARTICIPANT NAME: JANAKI RAMAN K

DEPT.: FEE

PRATHYUSHA ENGINEERING COLLEGE

Today I learnt how the 3D printer works and what are its applications and also the importance of 3D printing in mechanical (manufacturing) & in the medical sector. I personally learnt the working of 3D-printing. Thank you!!

### FEEDBACK FORM

EVENT NAME: 3D printing

DATE: 3-11-2023

PARTICIPANT NAME: S. Gokulakrishnan

DEPT.: FEE

Prathyusha Engineering college

Today, I learnt how the 3D printer works and what are its applications and also the importance of 3D printing in Mechanical & in Biomedical sector. It is very good.

### FEEDBACK FORM

EVENT NAME: 3D Printing workshop.

DATE: 03/11/2023

PARTICIPANT NAME: DMU College of engineering

DEPT.: Mechanical.

We attend one day 3D printing workshop. It was very useful to us. We learned many things about 3D printing.

FEEDBACK FORM

EVENT NAME: 3D Printing  
PARTICIPANT NAME: TRADEEP BALA E

DATE: 3/11/23  
DEPT.: MECH

It is helpful for improving our knowledge. I learned about 3D modeling and printing. Thanks to Jaya Sakti College To organize this workshop. Practice

FEEDBACK FORM

EVENT NAME: 3D printing  
PARTICIPANT NAME: Annet, Deepika, Ravina, Angel and Paritha

DATE: 03/11/2023  
DEPT.: Biomedical

The one day workshop on 3D printing was very useful and informative. Theory and practical sessions was interesting. I have gained more knowledge about 3D printing and 3D Bioprinting. Lots of theory & practical. I have also done practical sessions which is more knowledge abte.

## LETTER OF APPRECIATION

**Mr. M. SURESH,**  
Managing Director - TEJAVU

Dear Sir,

On behalf of our Department of Mechanical Engineering, Jaya Sakthi Engineering College, Thiruninravur, Chennai – 602024, we would like to extend our heartfelt thanks and gratitude to you for interacting with and addressing our students by “**Demonstrating the Process involved in 3D Printing Technology**” on **November 03<sup>rd</sup> , 2023**. The students gained Valuable insights and knowledge which helped them gain an understanding of the real-time practices in the corporate world. The information you shared was very enlightening for our students. We hope it was a positive experience for you as well.

Thank you very much once again for associating with us, we look forward to associate many Outreach Programmes with you

Warm Regards,

PRINCIPAL  
JAYA SAKTHI ENGINEERING COLLEGE  
St. Mary's Nagar, Near Avadi,  
Chennai-602024

**Dr. P. MARIMUTHU**
