3.1 ISRO INDUSTRIAL VISIT

- The Department of Computer Science and Engineering organised an industrial visit to the Indian Space Research Organisation for Second-year & Third year students on November 26, 2022

ISRO SPACE CENTER

3.2 CODING CLUB

Welcome to one of the biggest clubs of JAYA SAKTHI ENGINEERING COLLEGE, Thiruninravur. The Department of CSE would like to have a continuous coding activity among all the students of the department. In this context, the Department of Computer Science and Engineering introduces "CODERS CLUB @ CSE-JSCE". All the students of CSE are invited to share their knowledge in coding.

Learning the basics of computer programming is not only fun and interesting to the students but gives them a window to future paths that will be open to them. Some people are saying that along with foreign languages, coding is a language needed for jobs of the future.

The students will use different programs to begin to learn to code. At the end of the Semester there will a coding challenge and a possible competition with other colleges.

Boot Camp on Web Development (24th Feb 2023)

Web Development was a 2 hours event where computer programmers involved in graphic designing, web design and development. The idea was to get coding done in an extreme manner, to be started from scratch and end with a working prototype with in the 2 hours. This proved to be a successful event where the students were able to come up with beautiful prototypes after completion of the final time. The teams were to work on the different domains. The final participants worked on both software PHP as well as HTML.
