### 1. Preamble:

The College is run by **JAYA EDUCATIONAL TRUST** which is running more than 25 Educational Institutions including Medical, Dental and Paramedical courses since 1977 and it is one of the foremost centers of graduate and professional education in the state of Tamilnadu. Established in the Year 2006, the College has a vision to nurture innovative future leaders in Technology, Entrepreneurship and Management, who create wealth for our nation and develop a fulfilling global-society. The college offers five Undergraduate courses in engineering namely **COMPUTER SCIENCE AND ENGINEERING, ARTIFICIAL INTELLIGENCE AND DATA SCIENCE, BIOMEDICAL ENGINEERING, PHARMACEUTICAL TECHNOLOGY and MECHANICAL ENGINEERING.** The college has well equipped and state of art laboratories for the benefit of the students. The college ensures that all students have the opportunity to acquire and develop personal and transferrable skills, such as technical communication and team- working skills, which are directly appropriate to their future courses. The college is situated very close to Chennai metropolis and is very easily accessible by road and rail networks. The range and depth of resources at the college have very few peers and it serves as a model educational Institution Contributing to entrepreneurship and technology management for our country.

**RMR HOSPITALS** is an integrated Healthcare provider with 100+ beds located at the heart of Thiruvannamalai District .Known for its excellence in Neurology, Orthopedics, Diabetology, Urology, Pediatrics and also Accident & Trauma cases 24x7.

RMR Hospitals have dedicated team of Doctors from different specializations from all fields of medicine and surgery for taking care of in-patients in the hospital. RMR Hospitals, an integrated Healthcare provider for over two decades has been at the forefront serving people from all walks of life. From a mere 20 bedded nursing home, Deepam has grown to a multispecialty hospital with over 175 beds, serving not only the people of Chennai but across borders.

RMR Hospitals is also committed to harness and adopt the latest technologies that play a vital role in quality healthcare. Plans are underway to constantly increase and upgrade the services that the Hospital offers, both in curative and preventive healthcare applications. With continued up-scaling of facilities & services, working with untiring commitment 24/7 in treating patients and saving lives, it stays committed to excellence in whatever they do.

The vision of RMR Hospitals is "To be valued for excellence in patient care and most trusted for personalized coordinated care". The recent re-organized Board of Directors is in line with the objective of channelizing the legacy of values of the hospital to all our patients, shareholders, associates, employees and the community on the whole and poised to take Deepam Hospitals into the top league of healthcare space in South Chennai and beyond. The Hospital also undertakes research and training activities for all staffs in preventive healthcare applications.
