ADMISSION LETTER
Eligibility for enrollment

Prot. n. ME00147 Date: 26/06/2018

To: RAMESH BABU SUDARSHAN BABU

Admission to the Master of Science in **Mechanical Engineering**

Dear prospective student,

I'm glad to inform you that your application to the two-year Master of Science (Laurea Magistrale) in **Mechanical Engineering** offered by the University of Cassino and Southern Lazio, Italy, has been positively evaluated. That is, you are eligible to be enrolled in **Fall 2018**.

The Master program is taught in English.

In order to complete the application procedure, we invite you to go through the following steps (according to the Italian law for non-European citizens living abroad).

You need to:

- I. Deliver **personally** your pre-application form + required documents to the competent diplomatic authority

The competent diplomatic authority is generally the Italian Embassy/Consulate closest to the place where the awarding institution is located. We suggest to go through this step at the soonest (even if deadline is on July 24).

To fill in the pre-application "A Form"

(http://www.studiare-in-italia.it/studentistranieri/moduli/2018/Modello_A.pdf), please consider that:

1. the Academic Year you are applying for is: **2018/2019**;
2. the official name of the University is: **University of Cassino and Southern Lazio**;
3. the programme is an ordinary 2nd cycle degree course named: **Mechanical Engineering**.

For the documents required by the Embassy, please check the Embassy website before applying. Do not forget to bring this *Eligibility for enrollment* letter (lettera di idoneità all'immatricolazione), duly signed by the University.

Given that the programme is taught in English, you **do not need** to provide any certificate as regards Italian language competences, neither to pass the Italian exam once in Italy. However, you need to provide a certificate proving your competence in English (unless your degree courses have been taught in English).

- II. Start your Visa application procedure (see <http://vistoperitalia.esteri.it/home/en>)

Note that the University of Cassino and Southern Lazio does not require that you present the Declaration of Value or any statement of comparability when you apply for the visa. These documents might be submitted at the time of the enrollment, upon your arrival in Italy.

Then

Once the Italian Embassy/Consulate notifies our University about your pre-enrollment application (this will happen at the end of July/ beginning of August), the University of Cassino and Southern Lazio will confirm to the Italian Embassy/Consulate you are eligible to enroll the programme.

PRINCIPAL
JAYA SAKTHI ENGINEERING COLLEGE
St. Mary's Nagar, Near Avadi,
Thiruninravur, Chennai-602024

III. On your arrival in Italy, obtain formal admission to the programme upon the presentation of the required documents to the International Relations Office of the University of Cassino and Southern Lazio.

Documents required by the University of Cassino and Southern Lazio:

1. the educational qualification certificate which allows you the access to 2nd cycle degree programmes in Italy. A certified true copy of the certificate is admitted. Certificates in English, French, Spanish, or Italian are accepted. Certificates in other languages must be officially translated;
2. Declaration of Value **OR** a Statement of comparability issued by an ENIC-NARIC centre (see e.g. <http://www.cimea.it/en/services/statements-of-comparability/statements-of-comparability-and-qualifications-certification.aspx>);
3. Transcript of records official certificate issued by the foreign academic Institution with the list of all the exams you passed and the corresponding grades. This official certificate may be provided in English, French, Spanish, or Italian. If not, it must be officially translated. Alternatively, if available, a "diploma supplement" may be provided.

Accommodation

University of Cassino and Southern Lazio Students Apartments are available in via Madonna di Loreto, snc, 03043 Cassino (FR).

Some important remarks:

1. Do not be scared. It seems a long process, but many applicants successfully passed through it.
2. Do not come to Italy without having presented the A Form to the Embassy: we will be forced by law to reject your final admission request, and you will need to come back to your country.
3. Be careful: you cannot enrol if you do not have at least 12 years of undergraduate schooling.
4. In planning your activities, please consider the whole application procedure may take several months.

Finally, let me say that I wish you will be one of our excellent students this coming academic year!

Kind regards,
