Mrs. K. Vijayakumari, M.A., B.Ed.,
Secretary

National festivals, as well as the birth and death anniversaries of notable Indian individuals, are enthusiastically organized by the institution. By overcoming caste and religious barriers, our students are working to make India a better place. By the exhibitions and events held on these days, ideas of great Indian individuals were sown into the youthful brains. The school encourages faculty and staff to exhibit a pluralist approach to all religious events and activities. Our institute coordinates the celebration of national holidays and the birthdays and deaths of notable Indian individuals each year. The importance of national integrity in the country generally and their participation in it specifically are made clear to the staff and students.

1. Republic Day (26th January)

On January 26, Republic Day is observed to honour the day the constitution was adopted. On this day, a number of formal ceremonies, such as the flag-hoisting and march-past, are planned. These events are followed by a "[Constitution Awareness Programme](#)" in which students and staff members learned about their responsibilities to our country and the privileges that our constitution grants them. By planning these kinds of activities, the institute contributes to instilling patriotism and awareness in the future generation.

2. International Yoga day (21st June)

Every year on June 21st, we commemorate International Yoga Day. A speech is given to inform everyone of how yoga symbolizes oneness of mind and body, thought and action, restraint and fulfillment. The yoga instructor conducts the yoga camp.

3. World Population Day (11th July)

We enthusiastically observe World Population Day on September 11. The college sponsors such a programme to educate teachers and students about population trends and their causes.

4. Independence Day (15th August)

Every year, all of the members of Management participate in the celebration. A lot of teams of security personnel and NCC cadets from our group of institution the participate in a well-rehearsed march-past, and the chief guest hosts the flag for the magnificent occasion. The independence movement's cultural manifestations are on display.

5. Teacher's Day (5th September)

Dr. Radhakrishnan's birthday, 5th September, is enthusiastically observed as Teacher's Day. The Guru-Shishya parampara is honoured and a programme is put on by the students for the teachers.

6. Engineer's Day (15th September)

The famous engineer Mokshagundam Visvesvaraya is recognized and honoured at our college on September 15 each year as National Engineers Day. The purpose of the day is to recognise the excellent job done by engineers, to inspire them to continue innovating and improving, and to also provide engineering students some inspiration.
